- Slot 3 : 14.30 hrs – 16.00 hrs
- Slot 4 : 16.30 hrs – 18.00 hrs

The papers of each session are divided in blocks, each addressing a specific scope. The identification of the blocks and of the papers belonging to each block is to be found in the special reports (available on <http://www.cired2019.org> by the end of April). **Order of presentations** will be given in the special reports as well. Authors should note the order of presentations (which will be confirmed at the briefing session) and sit in the front row of the room waiting for the Chair's invitation to come to the stage. The Session Chair and Rapporteurs will expect everyone involved in the Session to be in the appropriate conference room at least 15 minutes in advance of the start of the relevant session block.

**12 minutes** will be allocated to each author for his/her presentation. Time is always limited and authors are asked to be ready to make their presentation without delay. If the presentation exceeds the allocation of 12 minutes and the Chair indicates that time is pressing, authors are asked to respect this request and conclude immediately.

### 2. Supporting PowerPoint Presentation

The **PowerPoint file** supporting the presentation is to be prepared and delivered by email (c.dizier@aim-association.org).

It is mandatory that all delegates send their presentation by **Wednesday, 15 May** at the latest, using the PowerPoint template. These presentations will be quickly checked by your session chair.

The PowerPoint **template** is downloadable from the website Guidelines and Templates:

<http://www.cired2019.org/page/authors>

Authors are requested to use this template in order to avoid any compatibility problems. The PowerPoint should not exceed 8MB. Please ensure that all pictures are compressed before sending.

**Format of your document: only .ppt (or .pptx) and .pdf documents will be accepted.**

If you need to **update your presentation in Madrid**, you can go to the Upload Room (N 107), located on the 1<sup>st</sup> floor near the conference rooms, preferably the day before your presentation. This room will be open from 15:00 hrs on Monday 15 June. There is no possibility of uploading your presentation in the conference room.
